35z1 Grassy Road, Norfolk Island

Dual Street Access Development Potential

This piece of land is great value, and has excellent opportunities for development. Close to town and hospital, this portion with dual street access would be ideally developed with a tidy home, or town-house style accommodation.

In a busy rental market desperate for new and neat homes, you would not go wrong building in this spot.

Easy connections to town sewer, power and other services, within a matter of months a savvy investor would have prime rental real estate here.
