

LIFESTYLE & RECREATION BUSINESS - LAND & SEA

"Norfolk Land & Sea" is a long established lifestyle and leisure retail outlet on Norfolk Island and is the only major supplier of aquatic and fishing equipment, mountain bikes, camping gear and all of the items which are so necessary to really enjoy Norfolk island living - or to make the very most of any holiday here!

With many high quality and exclusive supplier relationships including big name brands such as Speedo, Coleman & Daiwa, and many others - these relationships have been ongoing for many years and would continue with any new owner. Consider the opportunity to become the one-stop-shop for outdoor leisure activities available on island offering excellent products and services.

On an Island like Norfolk, where there are such opportunities for and access to outdoor recreational experiences, this is the ideal business - one that can only continue to grow as Norfolk moves towards experience based tourism with an important focus on sustainable and environmental tourism.

The owners operate an equipment rental business as well, offering snorkelling gear, Stand up paddleboards, kayaks, fishing equipment and rental bikes to visitors on island - allowing them to experience the beautiful natural environment. This part of the business has potential to grow exponentially.

The sky is the limit here and you can walk into this industry with all the best connections to truly take the business to the next level.
