

23b Potts Farm Road, Norfolk Island

An Artist's Own Special Retreat

Clearly the work of a talented artist, this oasis situated just 5 minutes drive from the township and the beach oozes charm and character. Parts of the home are from the early 1900s and a house which was relocated from elsewhere on the island - the 'scars' as the owner calls them, run along the floors of the home where it was joined back together.

With two bedrooms, including a master suite with beautiful cabinetry and french doors which open on two sides to verandahs overlooking lush valleys you will have a true feeling of relaxation in this room.

A very functional chefs kitchen - with stainless steel bench tops, bespoke Norfolk pine Kitchen island, an Italian 'Ilve' stove and one-drawer dishwasher - opens to a cosy lounge space and dining corner. These spaces are all connected to the verandah with wide french doors and flys-creens to ensure the outside is always at your fingertips.
