

15 Tevarua Lane, Norfolk Island

Functional Family Cottage with Valley Outlook

🛏 3 📶 1 🚗 2 📏 1,320 m²

At the end of peaceful Tevarua Lane is a white picket fence and elegant arched gate which leads to the large timber deck with a 180 degree view over the numerous bearing fruit trees to quiet green valleys all the way to Cascade.

The main living area, which opens onto the deck, includes a cook's kitchen with tiled floor, stainless steel bench, dishwasher, unique and functional splash-back and shelving, stainless gas stove and rangehood.

The open plan dining area and lounge area are united by continuing the neutral tiled floor. Each is enhanced by a large bay window and the whole area is flooded with natural light.

The private end of the house contains three bedrooms and modern bathroom and separate laundry all leading off a freshly painted and timber floored second living area. The house is serviced by solar power and hot water.

Finally, on the same 1320m² portion is a 2-storey building consisting of a garage, a downstairs room and a large upstairs area lined with Norfolk pine timber. For a modest outlay, this could be turned into a self-contained visitor's apartment, further enhancing what is already a very attractive property.
